

Surface Disinfectants

KERR: CAVIICLE SPRAY/CAVIWIPES

CaviWipes offer the convenience of surface disinfection, decontamination and cleaning in a single disposable product. CaviWipes are disposable towelettes presaturated with CaviCide, an intermediate-level disinfectant effective against viruses, bacteria, fungi and TB. The nonwoven towelettes are recommended for cleaning and disinfection of hard, nonporous exterior surfaces, where cross-contamination is an issue.
