Power Scalers

DENTSPLY SIRONA PREVENTIVE: CAVITRON

With a legacy of quality and performance, the Cavitron family of products continues to innovate to meet all office needs. The Cavitron Touch Ultrasonic Scaling System offers an advanced experience. The unit features the exclusive Steri-Mate 360 handpiece that enables the clinician to rotate the insert while holding the nose of the handpiece. A modern touch screen interface provides ease of use with added memory presets and customizable power settings for improved efficiency. The system also features a lightweight, detachable handpiece cord for improved ergonomics.
