

RADIOLOGY

X-RAY EQUIPMENT: CONEBEAM CT SCANNER

Planmeca USA: Planmeca ProMax 3D

Planmeca ProMax 3D units offer exceptional image quality and innovation. They provide a wide range of volume sizes for endodontic evaluation and imaging of the entire maxillofacial area. The units also offer advanced technology such as Planmeca Ultra Low Dose, which is paving the way for CBCT imaging use in routine diagnostic protocols.
