

## PRACTICE MANAGEMENT

### CONSULTANTS AND ADVISORS

#### Jay Geier's Scheduling Institute

Scheduling Institute is the independent dentist's partner for achieving practice growth and financial freedom. Jay Geier created SI's first training in 1997 to improve new patient numbers, and in doing so started an entire industry around team training. The company now teaches 26 different in-office trainings, offers various levels of doctor coaching programs, hosts the industry's largest results-producing events and runs the most sought-after team training university in the country.

### DENTAL MARKETING

#### Henry Schein One: Lighthouse 360

Lighthouse 360 is an automated patient communication system that helps dental practices save time, minimize broken appointments and keep the schedule full. Built specifically for dentistry, the software works like an extra member of the dental staff, handling the most repetitive daily tasks so the practice can focus on the patients.

## PATIENT FINANCE

### CareCredit

Two simple steps may help more patients get care with your CareCredit custom link.

1. Recommend CareCredit, a tried-and-true financing partner, as a financing solution.
2. Have patients see if they prequalify with no impact to their credit bureau score using their smartphone.

It's financing simplified.
