## PROSTHODONTICS

### BURS: FINISHING & POLISHING

#### Brasseler USA

Brasseler USA's finishing and polishing instruments provide solutions for most polishing needs, including ceramics, composites, acrylics and metal.

The Brasseler USA Dialite family of polishers now includes Dialite Feather Lite to quickly reproduce smooth, polished surfaces on nearly any material.

**MULTIYEAR  
WINNER**  
since 2003

**TG'S TAKE:** "Dental burs are the small but mighty partner in our quest to restore teeth and fight tooth decay. I had an opportunity many years ago to accompany a group of Townies on a tour of Brasseler's manufacturing facility in Savannah, Georgia. Seeing the precision and complexity in making so many different shapes and sizes was a memorable experience!"

## PROSTHODONTICS

### DIGITAL DENTURES (MILLED OR PRINTED)

#### Ivoclar: Ivotion Digital Denture System

The Ivotion Denture System offers a seamless and fast digital manufacturing process for fabricating top-quality removable dentures. The seamless workflow involves established clinical treatment steps and efficient digital laboratory fabrication methods. The Ivotion disc combines a highly proven cross-linked PMMA tooth material with a premium denture base material.

NEW  
WINNER

**TG'S TAKE:** *"This year marked the 100-year anniversary of this storied company in dentistry, and dentures have been in its DNA since the beginning. There are many ways to fabricate a digital denture, and the Ivoclar approach clearly has some early fans. Ivoclar has developed a proprietary puck that includes both tooth- and gingival-shaded acrylic so the milled denture is strong and monolithic and provides superior aesthetics."*

## PROSTHODONTICS

### LABORATORY: DENTAL

#### Glidewell

Glidewell is one of the world's leading manufacturers of custom restorative services, dental materials and technologies. Founded in 1970 in Orange County, California, the company is dedicated to developing innovations that simplify treatment, optimize results and improve more lives. Thank you, Townies, for choosing Glidewell.

**MULTIYEAR  
WINNER**  
since 2003

**TG'S TAKE:** *"It may be no surprise that the biggest lab in the country has been a multiyear winner. I'll direct you to my column in the September 2023 issue of Dentaltown magazine, where I shared my recent experience of a tour on the Glidewell campus in California. (Head to [dentaltown.com/magazine](https://dentaltown.com/magazine).) Beyond the business of providing lab services, Glidewell has been steadily growing its continuing education offerings with a large facility dedicated to hands-on learning at its headquarters."*
