DENTAL HYGIENE & PERIODONTICS

IN-OFFICE TOPICAL FLUORIDE: VARNISH

**Solventum: 3M Fast
Release Varnish 5%
Sodium Fluoride**

An optimized varnish that provides up to 24 hours of fluoride, calcium and phosphate release. It is formulated to stay in contact with the teeth longer for effective and advanced protection, depositing acid-resistant minerals on tooth surfaces to relieve hypersensitivity.

***TG's Take:** A new winner in a tight race, 3M's fluoride varnish is a daily go-to for reliable, effective cavity protection. Its fast-release formula is designed to minimize patient discomfort while delivering maximum enamel defense. Trusted by professionals, it's a small step that leads to big benefits for oral health.*
