GUTTA PERCHA POINTS

EdgeEndo: EdgePoints

EdgeEndo Gutta Percha points are available in all standard sizes, from 15 to 50 in both .04 and .06 taper. All EdgeEndo Gutta Percha points are the standard length of 29 mm and include 60 points per box.

***TG's Take:** New to the winner's circle, EdgePoints are vital to achieving successful root canals, sealing up every case with precision and consistency. These gutta-percha points are engineered for predictable fit, making obturation efficient and thorough. Endodontists and general practitioners alike are recognizing their value in elevating clinical outcomes.*
