POWER SCALERS

Dentsply Sirona Preventive: Cavitron 300 Ultrasonic Scaling System

The Cavitron 300 is Dentsply Sirona's most efficient system ever—producing less heat than other Cavitron units, which means less water and better patient comfort. The low-profile design provides improved space management within the operatory.

PROPHYLAXIS: HANDPIECES

Dentsply Sirona Preventive: Nupro Freedom Cordless Prophy System

The Nupro Freedom Cordless Prophy System with SmartMode technology is designed to enhance convenience and comply with infection-prevention standards. The handpiece comes with autoclavable outer sheaths that replace the need to buy multiple handpieces for each operatory.
