STERILIZERS

Midmark: Midmark M9 and M11 Steam Sterilizers

Midmark Steam Sterilizers are designed to help make instrument processing as easy and automated as possible. The intuitive touchscreen offers onscreen guidance, device notifications, and step-by-step prompts to help simplify training, cycle operation, and routine care. With an increased lifespan of 25,000 cycles—and no technician recertification required—Midmark M9 and M11 sterilizers deliver long-lasting durability while simplifying maintenance.
